DAWSON PARK

Voluntary Contributions and Charges for 2027

Our schedule for 2027 gives an indication to parents and carers the costs they **may** incur for various activities during the year. Additional cost items such as camps, excursions, school-based activities etc are estimated costs and payments will be requested during the year as these activities occur. **These costs are not due now.**

Voluntary Contributions are set by the School Board. While contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including State and Commonwealth Governments.
